## **Only Love is Real - Unplugged**

CD with the songs that Andrew has given Martin teaching about love, life, healing, and so many other things

## **Mystical Vibrations CD**

CD with 12 channeled pieces is to help you relax, manifest and relieve stress. Each piece is short, between 3 and 7 minutes long. Beautifully done, and very easy to listen to. Great if you're sitting on your own, or playing it in your Reiki or massage, or in your spa.

## **Merlin's Moods**

CD with two longer pieces (20 minutes each,) for you to play for your clients as you're working on them.

## **So These Two Dead Guys Walked into a Bar**

This is a very funny book. It is a whole account of her life living with a full-time medium. You can pick it up, open to any page, and laugh. There are also beautiful messages in there for you when you least expect it.

## **No Regrets**

Connie and Martin Jordan are authors, teachers, and Metaphysical Entertainers who live in Sarasota, Florida. They lost the physical presence of their son, Andrew, to Leukemia on October 22nd, 2007. Andrew knew he was an Avatar, Master Teacher, and lived his life that way. He has taught while he was on this plain, and is now powerfully teaching from the other side. Since then, it has been their mission to bring the awareness of the other Avatars, Psychic children, to the world. This book is part of their process.
