

Where is Your PureHeart Voice

I am not a vocal coach, But I do sing professionally. I am hypnotherapist with performing on stage experience, and know what it is my voice wants to do.

This is for you if:

- You would like to be able to use your voice for singing, speaking, writing, teaching.
- You feel the you aren't being heard
- You have the knowledge, and ability but lack the confidence to do it better.

Martin is a singer/ songwriter with a passion for self expression. he is a certified Intuitive life coach, and master hypnotist. He has spent many years working with people that are not happy with where they are in their lives, and are looking to change the direction they are going in.

Whatever the reason you have decided to
